*Duties:* Together with the producer, select guests and topics. Introduce and interview guests.

*Accomplishments:* I have been able to have on the show, over the years, people of different political backgrounds and thinking, Cubans and non-Cubans, freely expressing and debating their views. I have promoted serious, in-depth news analysis and I have covered all events relevant to the Cuban situation.

*Accomplishments:* "Tempranito y de mañana" was, according to credible sources, one of the audience's favorite shows in Radio Martí. I have been told it was the most listened to by Cubans in the island. I always took pride in being part of that show, and felt very comfortable working with Oscar del Río and the rest of the crew. I received many letters from listeners in Cuba with very interesting opinions about the show and my work in it. Copies will be available on request.
